Subject: [BPAC] Streets and Facilities Wish List

All,

Remember, this is only a wish list. NOTHING SET IN STONE! NO GAURANTEES!
NO PROMISES!

We should use this as a springboard for the coordination of our own planning and prioritization. With that in mind, let's think about what we would like to see happen. We can be in favor of everything but only a few things will happen in any given time frame.

Please find below and attached the S&F draft workplan for 2010. Thanks, again, to Ray Benjamin for his assistance in this matter.

Cheers,

Josh

DPW STREETS & FACILITIES 2010 Proposed Street Construction Projects

1. Franklin Street - Curb and side walk - North side
2. Route 89 - Overlay (Bicycle Lanes requested)
